## Message from WONS CEO

We are delighted to have Agatha Chiu on board with WONS to support the development of WONS Women's Health Strategic Plan for 2011. As you are all aware WONS has instigated the Asian Women's Health Symposiums over the last five years. There are recognised youth sexual health needs, sexual and physical abuse issues, cervical and breast screening inequalities, sexuality issues for older women, mental health issues and human rights issues. This is only the tip of the iceberg; however WONS will be working towards increasing our presence in 2011 around these issues.

We would like to take this opportunity to thank you all for your efforts and support for WONS over 2010 and wish you a very happy and relaxing festive season.

**Ruth Davy**  
CEO

## Albany Mobile Van - BreastScreen Aotearoa

Breast screening is recommended every 2 yrs for early detection, if you've never had one before **FREE breast screening** for women aged 45 to 69 years is provided by the national breast screening programme, BreastScreen Aotearoa (BSA).

During the **10-14<sup>th</sup> January 2010** the mobile mammogram van will be visiting Albany:

*Albany Westfield carpark (near No 1 Shoes)  
Don McKinnon Dr.*

## Community Engagement

Currently WONS has funding to support Women's Health Day or Clinics in the community. Funding varies from \$500 to \$1,000 (GST incl) for groups that wish to hold pamper days or clinics. Funding is dependent on accessing women for cervical smears who are mainly over 30 years and not had a smear test in 5 years. Free cervical smear tests are available through WONS for Asian women who are due one, however our community engagement criteria is based on accessing the really high priority women.

For more information email [rdavy@wons.org.nz](mailto:rdavy@wons.org.nz) or 846 7886 ext 710.
